

Good Afternoon:

*All this week, but especially on Wednesday, many people will be seeing red. Red is the colour of good fortune in Chinese culture, and the highlighted colour of the Lunar new year which starts on Wednesday. This is the year of the snake, the sixth year of the 12-year Chinese zodiac calendar. Enjoy! Do remember to get in touch ASAP, if there is a problem with your appointment. **(Scroll down for the second page.)***
