

Good Afternoon:

Friday is Valentine's Day. Did you know that Valentine's Day became associated with love in the 1300s; that the first valentine was sent in the 1500s by a nobleman, imprisoned in the Tower of London, to his wife; that the first commercial valentines in the US were sent in 1840s? Regardless of whom you may remember on Valentine's Day, do remember to get in touch ASAP, if there is a problem with your appointment. (Scroll down for the second page.)
