

Good Afternoon:

Two wonderful things will occur this week. Spring itself, astronomically speaking, will begin on Thursday at 5:01 am ESDT as will longer days. Most of us will put away our books and enjoy some rest and relaxation when Spring Break begins at the end of the day on Friday. Oh joy! Remember, however, to get in touch ASAP, if there is a problem with your appointment this week. (Scroll down for the second page.)
