

Good evening:

We are expecting a blizzard that may dump up to 14 inches of wet snow. Good enough to build snow people, but heavy to shovel. So, another day outside of the school yard. If you are tired of all this cold and snow, then head to the Convention Center Feb. 28 to March 8 to experience this year's Flower Show and to get a jump start on Spring. Nothing like plants to buoy one's spirits. As usual, please get in touch ASAP, if there is a problem with your appointment. Scroll down for the second page.
