Saturday, 2 Oct. 2026—10 pm.

Good evening:

My word! Another four-day weekend is right around the corner. These "holidays" are as unusual as our current weather. Anyway, even as you smile about this windfall, keep in mind that extra days are an opportunity to rest and to catch up with your studies. Plan ahead and make good choices. As always, please get in touch ASAP, if there is a problem with the scheduling. (Scroll down for the second page.)
